

Factoryville Borough Playground Taskforce
Strengthening our Community Through Play

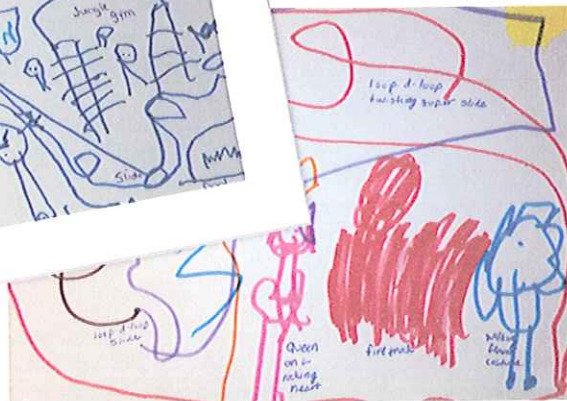

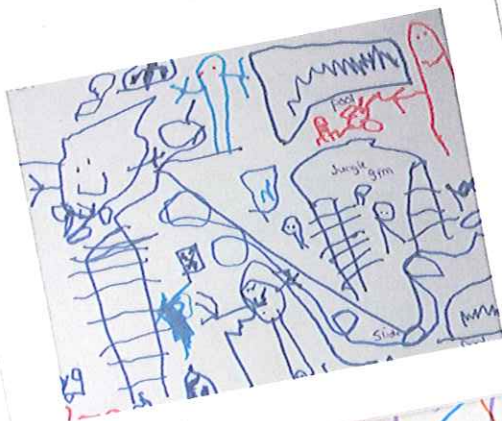

“Our Dream Playground”

Art Show

The children at Lackawanna Trail Elementary and local preschools have designed their dream playgrounds, and we invite you to attend our art opening at the Borough Hall.

Factoryville Borough Hall
April 20th, 2013
1pm-3pm

Factoryville Borough Playground Taskforce

Our mission: To improve the recreational facilities for all ages in Factoryville borough and Clinton Township.

Our three stage plan:

To create play pockets along a trail at Christy Mathewson Park;

To create an inclusive playground at the Clinton Township Factoryville Borough Joint Municipal Park;

To create a walking and/or biking trail connecting the two parks.

In an effort to raise awareness of the desire to develop these recreational facilities and to raise awareness of the benefits of outdoor exercise, the Playground Taskforce is involved in numerous events in 2013.

April 20th– Art Show displaying the drawings of children’s dream playgrounds at the Borough Hall

June 8th– The First Annual Factoryville Day of Play

August– Involvement in Factoryville’s Christy Mathewson Days
