 A cash prize will be awarded to the person who raises the most money in sponsorships.

**Trail Rotary Club
Bowling Fundraiser**

Being a Rotarian is a rewarding experience. We are proud to be a part of our community and gain a sense of fulfillment that comes from helping others around us. The Trail Rotary Club gets involved in many ways. For our local library, we volunteer our time on Saturdays to work to keep it open. We have donated our time, books, bookshelves, and a new computer system to update their operation as well as pay the annual subscription fee to stay connected to the local public library system.

We send sophomore students from Lackawanna Trail High School to the annual Rotary Youth Leadership camp held each summer at Keystone College. At RYLA those students gain an outstanding experience in leadership training. Participants say it's a life-changing week of discovery. At the elementary school level, Trail Rotary donates a dictionary each year to every 3rd grade student. These dictionaries are filled with lots of information, lists, maps and charts that these students enjoy reading.

Trail Rotary is involved with many local projects to benefit our community. We purchased a defibrillator for the Factoryville Fire Company's new ambulance. We bought the benches for the new soccer fields, helped purchase the food equipment for the concession stand as well as trash and recycling receptacles for the park. We are always working to discover where there is a need and how we may help either through funding or volunteering our time.

Coming up we are having our annual bowling tournament on April 13, 2014 at Idle Hour Lanes. We are looking for corporate sponsors to help us raise funds for our community projects and to build up our scholarship fund that supports the higher education goals of our school students.

Attached please find the form listing the various bowling sponsorship levels. Should you choose to contribute, your name, or company name, may be listed on bowling lane signs, registration check-in boards as well as individual tent cards on each table of bowlers. Should your organization like to participate in the "fun"raiser, we are signing up teams of five bowlers each at \$15 per bowler.

We thank you very much for your help making this fundraiser another success for our community.

Thank you,

Trail Rotary Member

The Trail Rotary Club
Annual Bowling Tournament
