*When a director requests a check from their funds I write the check and note what account it is from. ### FOM PASTA DINNER:

Pasta Dinner at GINS (4/15): \$2595 + 165.25(bake sale) = \$2760.25 - 1644.50 (Gin's bill) = \$1115.75 Profit  
35 take out, 218 eat in, 85 was pre-count, prepped for 150, 253 total served...

(cheerleaders had 147 dinners when they had their fundraiser)

Last year's 2012 Pasta dinner at LTHS \$1930.00 - 728.04 expenses = \$1201.96 Profit

### GREAT JOB!

**Jodi** had noted it was easier to do without all the work.

**Nikki:** We had more than enough help from the kids. Next time (if we do it again) we would only need 8 kids per shift. But some came and stayed and really worked the whole time and we should be proud of their effort

**Cathy:** Offered to create a schedule sheet for the shifts including a sign up and check in.

For first time event we may do even better next year using better planning...also Next time prepare better to have some of the students perform as well. Good that we used GINS as it offers goodwill.

Perhaps we should plan on a different time so as not to conflict with Softball (4/19) and Interact (4/21) dinner fundraising (also note when cheerleaders have their dinner). We should also plan another breakfast/pasta fundraiser in the Fall... *Cathy will send a thank you note to Sandy of GIN's.*

**Jackie** suggested the Breakfast in the Fall and volunteered Roger to do omelets.
