1. Purpose

The Board recognizes the need for insurance coverage for unforeseen accidents which may occur to students in the course of attendance at school or student participation in the athletic and extracurricular programs of the schools.

2. Authority

The Board will provide parents the opportunity to purchase insurance coverage, at no cost to the Board, for injury resulting from accidents sustained by students in an interscholastic sports program (excluding varsity football), in the cheerleader program, in the band program, in an intramural sports program, in the program of physical education or in any activity in school, on school grounds, on a school bus, at an activity sponsored by the school (including driver education training), while traveling between home and school other than on a school bus, or in any activity round-the-clock.

3. Delegation of Responsibility

The Superintendent shall prepare specifications and secure suitable coverage from qualified insurance carriers for recommendation and Board consideration for students and parents of students who may be eligible for insurance.

Furthermore, it is the policy of the Lackawanna Trail School District that no student may be a candidate for any athletic team sponsored by the school district unless the student is covered by a health and accident insurance policy offered through the school district. The coverage provided by the insurance is set out in the insurance contract. Nothing herein provided is intended to operate to enlarge any insurance coverage, nor to act as an assumption of liability by the school district.
