

LACKAWANNA TRAIL SCHOOL DISTRICT

SECTION: PUPILS

TITLE: CLASS RANK

ADOPTED:

REVISED: September 21, 2009

214. CLASS RANK	
1. Purpose	The Board acknowledges the necessity for a system of computing grade point averages and class rank for secondary school students to inform students, parents and others of their relative academic placement among their peers.
2. Authority	The Board authorizes a system of class rank, by grade point average, for students in grades 9-12. All students shall be ranked together.
3. Guidelines	<p>Class rank shall be computed by the final grade in all subjects for which credit is awarded.</p> <p>Any two (2) or more students whose computed grade point averages are identical shall be given the same rank. The rank of the student who immediately follows a tied position will be determined by the number of students preceding and not by the rank of the proceeding person.</p>
Pol. 216	<p>A student's grade point average and rank in class shall be entered on the student's record and transcripts and shall be subject to Board policy on release of student records.</p> <p>In recognition of the heavier burden of certain work, grade point averages shall be weighted by awarding extra credit for designated courses. These courses will be outlined annually in the curriculum guides.</p>
4. Guidelines	Students who transfer/enroll into the Lackawanna Trail School District from another district, cyber or charter school, alternative educational placement, or from home school will not be considered for class rank if the transfer/enrollment takes place after the first day of the junior year.

<p>5. Delegation of Responsibility</p> <p>Title 22 Sec. 4.24</p> <p>Board Policy 216</p>	<p>The Superintendent or designee shall develop procedures for computing of grade point averages and assigning class rank to implement this policy, which shall include a statement of the methods for computation and rank assignment for those to whom a student's grade point average and class rank are released.</p>
