## 229. STUDENT FUND RAISING

1. Purpose

The Board acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and since such solicitation may disrupt the program of the schools.

2. Definition

For purposes of this policy, "student fund raising" shall include the solicitation and collection of money by students for any purpose and shall include the collection of money in exchange for tickets, papers, advertising or any other goods or services.

3. Authority

The Board prohibits the collection of money in school or on school property, or at any school sponsored event by a student for personal benefit.

Collection of money by approved school organizations may be permitted by the Superintendent. Collections by students on behalf of school organizations outside the schools may be permitted only by the Superintendent.

4. Delegation of Responsibility

The Superintendent shall establish rules and regulations for the solicitation of funds which shall specify the times and places in which funds may be collected and limit the kind and amount of advertising for solicitation.

The principal shall distribute this policy and the rules which implement it to each student organization granted permission to solicit funds. Funds solicited shall be controlled Student Body Finances Pol. 618.
