# Lackawanna Trail School District

## 705. SAFETY

1. Purpose

The Board directs that the facilities of this district shall be maintained and operated in a safe condition.

SC 3141  
et seq

2. Authority

The Board directs that there shall be developed, published and posted rules for safety and the prevention of accidents. These rules shall provide for instruction of students and staff in safety and accident prevention, provide protective devices where they are required for the safety of students and employes, and provide suitable and safe equipment where such equipment is necessary for the conduct of the educational program and the operation of the schools.

SC 510  
1518, 3128

3. Delegation of Responsibility

The Superintendent shall prepare rules governing school safety and the prevention of accidents and fire which shall include as a minimum the requirements of law and the applicable regulations of various departments of State government.

Such rules shall provide regulations and precautions for the safety of students in school and in transit to and from school.

The Superintendent shall prepare curriculum to instruct pupils in safety.

SC 1518

The Superintendent shall annually review with the Board all guidelines and regulations dealing with the safety of students and employes and the safe operation of school facilities.
